THE 1953 ROUND UP

Roosevelt High School — East Chicago, Indiana

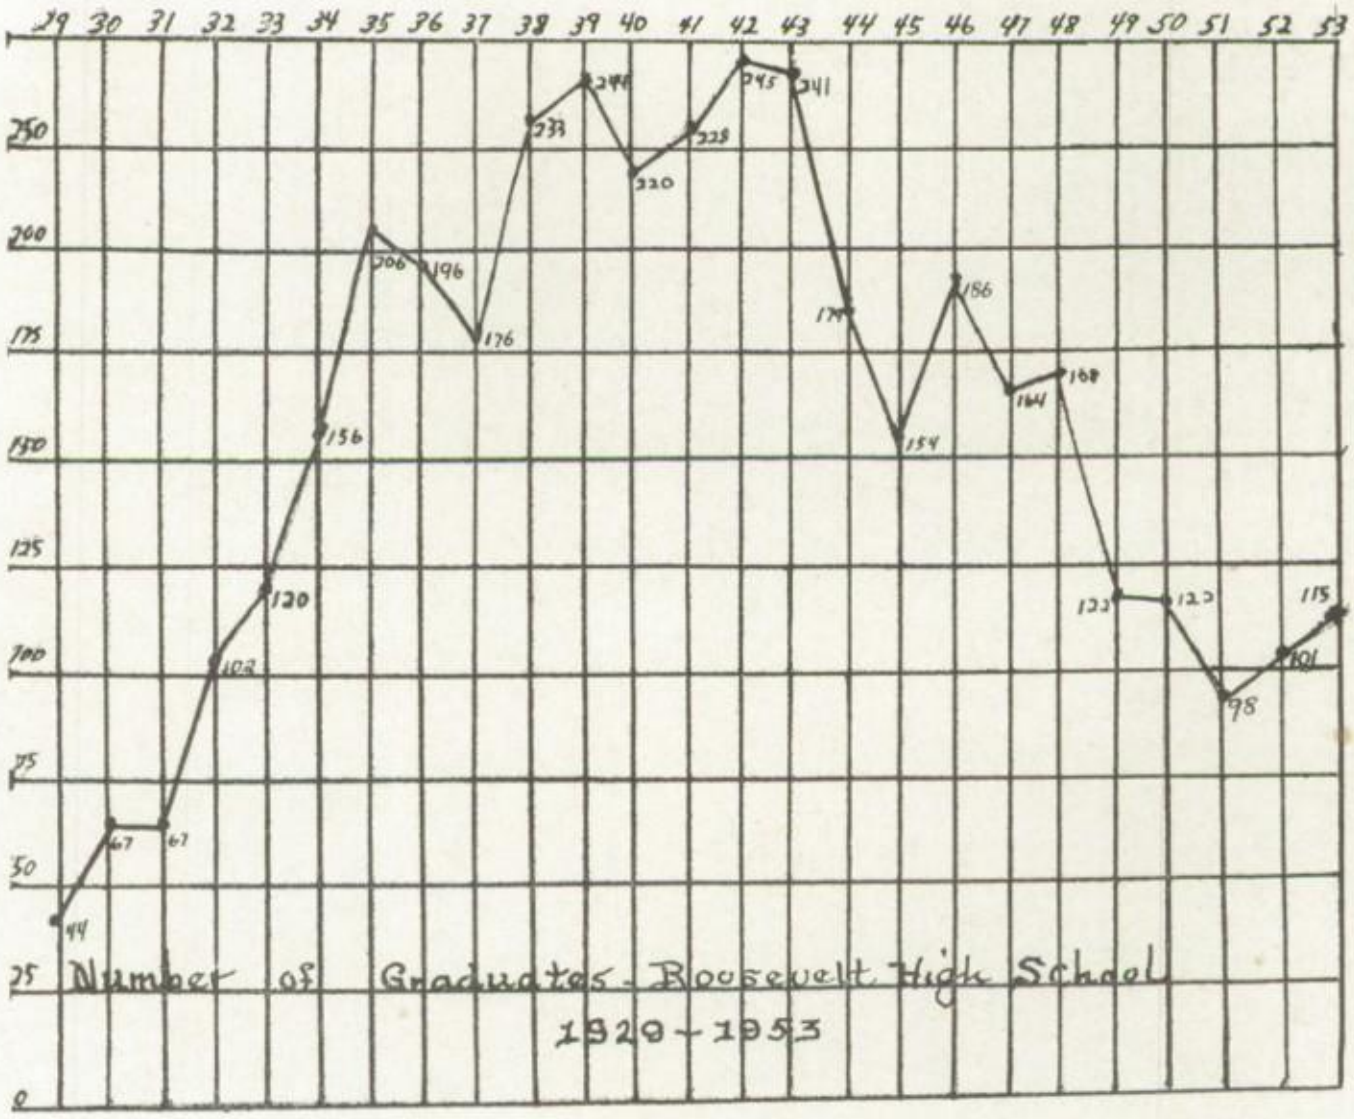
OUR CREED

We Believe In Living A Clean Life;
In Fighting Fairly Always; In Being
Tolerant And Respectful To Others;
In Co-operating To The Best Of Our
Ability, And In Being Loyal At
All Times To Our School

FOREWORD

The Class of 1933 presented the school a plaque stating OUR CREED and placed it just outside the office door.

In selecting this as a theme, we felt that it was intimately related to the school and its students, and that these printed words were either consciously or unconsciously a part of every person who had attended Roosevelt.



CONTENTS

The Round Up made its debut in June, 1929, under the sponsorship of Miss Jane Reifel.

Each graduating class since has attempted to produce an annual portraying work of the school, by representative showing of students in classrooms, laboratories, shops or other scenes of curricular and extracurricular activities.

We hope the 25th edition of the Round Up has fulfilled its pupose of making today's events tomorrow's memories.

For a picture of our building we chose the Magoun Avenue entrance to the main bulidng and the entrance to the auditorum _____Page 7

J. C. AUSTIN

If in our halls a statue should be placed–
One to edify our creed and be forever a silent reminder
Of all we strive for–
There were no need to search afar for model rare.
Such a one once lived among us, giving generous share
Of his wisdom, eloquence – and wit.

His life was clean as the duneland sand
Whereon he built his summer home.
His understanding matched the vastness of the lake's expanse;
His fairness was fathomed by its depth.
In championing all causes that were just
He always fairly fought
Yet maintained its June night calmness.
His tolerance and respect for others' rights
Measured his manliness, hardy as the pines.
He poured his splendid strength
Into each grave task, however small,
Cooperating ever
As quietly as comes the lupine to adorn the dunes.
His many years of service, steadfast as the horizon,
Bespeak his loyalty to this our school. – *F. Isabelle Swatts*

MEMORIES

"Green" freshies, that's what we were called in the fall of '50 when we started living "Our Creed." There wasn't a football or basketball game that we didn't see. Our biggest thrill of the year was freshmen dancing class. After that came ROA, Y-Teens, Red Cross, Teen-Age Council, and freshmen sports. We had started becoming a part of the activities at Roosevelt. We had the thrill of our first Showdown, hayride and the Turnabout Dance. Pauline Vania and Joan Peterkitas were chosen freshmen cheerleaders. Yes, our freshman year was exciting.

As sophomores we became a part of the school mechanism. "In Fighting Fairly Always" the boys practiced in 19B. The sophomore members of the Booster Club, the Y-Teen Cabinet and Boy's Service League worked hard to obtain recognition. The choir, orchestra, band, football, basketball, and baseball teams were well represented by the sophomore class. There were two main events of that year for us: the Y-Teen Winter Formal, and the winning of the sectional basketball tournament.

In our junior year we co-operated with everyone to the best of our ability and with the seniors we formed a team. "Chuckles" Matulis, Tony Fadda and Barbara Babair were our class officers. The Girl Counsellors were proud of their little sisters. The boys were members of the varsity team in sports. How proud we were of them! Most of us went to Evansville when the football team played there. We helped to plan the Soc-Hop, Winter Formal, Turnabout and various other social events. We were very proud to honor the seniors at the Girl Counsellors' Breakfast, the Y-Teen Banquet and the Booster Banquet. The student body elected Dave Allen as president of the student government.

We started the last lap of our high school days as seniors, but a sad incident marred the fall. Our beloved Brown Derby was given to Washington! The king and queen of the Brown Derby dance were Elaine Siurek and John Oakley. Homecoming was a big event: a successful parade; a beautiful queen, Dinal Rapacz; and a victory for the team. We were the "big shots" that year. The officers of the organizations were th guiding hands. Christmas Vespers, music concerts, plays, and sports meant more to us than ever before. This would be the last time we could participate in them. How proud we felt when we led the grand march at the Winter Formal. We were the ones honored at the banquets, and it made us feel important to be seniors. The memories of Rough Rider Day, Senior Picnic, and Class Night will always be with us. The night of the senior prom was heavenly. Sunday was Baccalaureate. Then the big moment—Graduation! We finally had reached our goal. To the music of "Pomp and Circumstance" we walked down the aisle. After receiving our diplomas, the famliar strains of "Auld Lang Syne" were heard. We remembered "Our Creed". High School had helped us to become "Tolerant and Respectful to Others."

VARSITY FOOTBALL

Co-Champions of the N.I.H.S.C., ranked 6th in the state by the Associated Press newspaper poll, and possessors of a creditable won 6, lost 2 record were the honors won by the 1952 Roosevelt football team. The ball club, while it had its share of individual stars, was more of a team aggregation rather than a squad that depended solely on one or two individual standouts.

The forward wall, anchored by Captain Ed Wietecha, was solid from end to end with boys who could really "Rock 'em and Sock 'em" and the backfield, guided by crafty quarterbacks Bob Beison and Rich Marciniec was a speed hard hitting outfit that had a zeal for contact. However, the season wasn't all glory and satisfaction, it was also filled with disappointment and disheartening events. The way the team overcame the majority of its bad fortune was a tribute to the pluck and determination of its members.

The season opener matched the Rough Rider against rugged highly touted South Bend Washington at South Bend. The inspired Panthers took advantage of every Roosevelt miscue and the finish of the game found the tense, overeager Riders on the short end of a 18-0 score. Nevertheless, defeat brought out the determination, intestional fortitude and spirit of the team, for then and there they vowed to redeem themselves.

The first obstacle on the comeback trail was Clark's Pioneers. Clark, with a big and speedy ball club put up a good fight; but the Rough Riders, with the passing and running of spunky Chuck Matulis showing the way came out with 22 to 7 victory.

Then came homecoming with a keyed up Hammond High squad providing the opposition. Hammond scored on their initial series of downs and gamely held on to their lead for almost three quarters against the incessant line pounding Roosevelt ground game. Late in the third quarter, hard running fullback John Patrick cracked over for the tying six points and Bob Beison kicked the decisive extra point to give the Rough Riders a hard fought 7 to 6 decision.

The following week in a gruelling, bitterly contested defensive type game, our football men took the measure of a tough Hammond Tech squad 13 to 0 to give Coaches Rucinski and

Miller their 100th Roosevelt victory. It was three down and four to go as Rough Rider fortunes began to climb.

In their next three tussles our gridmen really hit their stride as they won all three contests by decisive margins. Led by a vicious line and an assortment of fleet, hard running backs, Roosevelt ran roughshod over a badly outcharged and outclassed Froebel football team. Al Uzis was particularly effective as he scored two touchdowns and repeatedly ripped the Devil line for large gains. Lew Wallace was next to fall victim to the now arroused Roosevelt football jaugernaut. Displaying the flashiest offense that they had molded all season long, and a hard running tailback in the person of Chuck Matulis, the rampant Riders scored often and spectacularly routed the Gary Hornets 40-19. The Whiting game followed the pattern set in the two previous games as the Rough Riders led by right halfback Leo Pociask's two talleys trounced the hapless Oilers 36-0.

In the season final the Rough Riders were pitted against cross town rival Washington in the Brown Derby Classic. Because of previously more impressive past performances Roosevelt was rated the pre game favorite. But a fleet solon backfield combo, sparked by the passing arm of quarterback, Louis Costa, took the Riders competely by surprise and they were upset 25-14.

Although the season ended on a sour note, this football season can still be chalked up as another fine coaching job for Pete Rucinski and Ernie Miller, their finished product being another in a long line of good football teams.

Under the superb tutlege of Coach Joe Macak, our teams have been exceptionally good. Macak, a firm believer of teaching good fundamentals, always puts together a hustling, mentally alert, ball club. His ball players invariably know what to do in any given situation.

Last year's squad finished fourth in the Conference while compiling a creditable 10 won, 8 lost record. Returing veterans are catcher, Bob Kurtz; infielders, Chuck Matulis and Ed Wietecha, and outfielders, John Patrick, Rich Marciniec and Vic Gruszka.

FOLLOW THE DREAM

The senior play, tells the story of Joan Cameron, played by Barbara Babair, a girl whose life has been divided between North and South America. Starting on the eve of her wedding-day, when she suddenly finds herself worried about her choice of a bridegroom, she goes back and relives her school life and her love story which is also the story of Spike Harrison, played by Don Zivich, a typical athletic product of the U. S., and the impish, lovable Ricardo Fernandez Calderon de Alvarado, played by Phil Frew, an equally typical product of his homeland, Peru. Until the last minute the audience cannot guess which of the two boys Joan has decided to marry, or, indeed, whether the marriage will take place at all. But a quick twist brings a solution which is both unexpected and satisfying.

The Roosevelt Olympic Association was organized twenty-five years ago for those girls who wished to participate in a seasonal sports program after school hours. The first year they participated in ten basketball games with schools in the area and were undefeated.

This year the R.O.A. has won city championships in volleyball and basketball. The motto of the organization is, "A sport for every girl and a girl for every sport." In her freshman year a girl may earn a pin, in her sophomore year a monogam, in her junior year a block letter "R", and in her senior year a coat sweater.

The officers this year are: Margaret Applegate, *president,* Martha Vargo, *vice president,* Marilyn Lerch, *secretary-treasurer.*

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation —and it can serve you, too, in the exciting days ahead.
